## FROGGER™

**Based on the Popular Arcade Game from Sega**

Life isn't all lazy days and lily pads for a frog—it abounds with dangers. Players guide their frantic frogs home to safety in a madcap dash across a busy highway and a treacherous river. Fast and furious action is guaranteed to keep things hopping.

## AMIDAR™

**Based on the Arcade Game.**

In this wonderfully wacky game, the player furiously traces maze lines with gorillas or paint rollers while being pursued by wild warriors or pigs. When the pursuers get too close, the player can use the fire button to get away. Once the four corners of the maze are traced, the player can take revenge and chase the warriors or pigs.

## SUPER COBRA™

**Based on the Arcade Game.**

Players set off on a high-flying, dangerous gunship mission to destroy the enemy's base. Players must fly their helicopters through mazes, caves, and cities filled with tall buildings. The enemy tries to shoot down the helicopters with missiles, tanks, and flying saucers.

SUPER COBRA is for use with the Atari Video Computer System™ and the Sears Video Arcade.™

## REACTOR™

**Based on the Arcade Game**

Players are trapped inside a nuclear reactor. It's nearing a melt-down, and its core is expanding. The only hope is to blast the control rods with nuclear particles and force the reactor core to shrink. If players are not careful, they may be rammed by other particles and destroyed.

## STRAWBERRY SHORTCAKE™ MUSICAL MATCHUPS

Strawberry Shortcake and her friends come to life in this delightful video game. The player mixes and matches various parts of the Strawberryland™ characters' bodies to create whimsical animation and music. Combines learning skills with light-hearted entertainment, making this a fine first video game for little girls.

STRAWBERRY SHORTCAKE MUSICAL MATCHUPS is for use with the Atari Video Computer System™ and the Sears Video Arcade.™
